EDUCATION

National Institute of Technology Kurukshetra	Kurukshetra, HR
Master of Computer Applications	*2021-24*
Barkatullah Vishwavidyalaya, Bhopal	Sarni, MP
Bachelor of Science in Computer Science	*2018-21*
Kendriya Vidyalaya Sarni	Sarni, MP
Higher Secondary Education	*2017-18*

PROJECTS

Portfolio | *A Website that showcases an individual's skills, abilities, expertise, and qualifications.*

- Project Showcase: Designed a user-friendly layout to present my projects, including descriptions, technologies used, and demos.
- Responsive Design: Ensured the portfolio's responsiveness across various devices and screen sizes, delivering a seamless experience to visitors on desktops, tablets, and smartphones.
- Technologies: Next.Js, Tailwind CSS, Framer-motion, react-social-icons   Website Link

DoShare | *DoShare is a social site where you can collect and share images of anything you find interesting.*

- User Registration and Authentication: Developed a secure user registration and authentication system using modern authentication protocols, ensuring data privacy and seamless user experience.
- Image Pinning: Created a user-friendly interface for users to pin and organize their favorite images, enabling them to build personalized collections.
- Responsive Design: Ensured the application's responsiveness across various devices, providing a seamless experience for users on desktops, tablets, and mobile phones.
- Technologies: React, Firebase, NextAuth.js, Tailwind CSS   GitHub Link

Color Picker | *A chrome extension that helps users to select colors from a web page.*

- Color Selection: Developed an interactive color selection mechanism, enabling users to choose colors.
- Copy to Clipboard: Added functionality to copy the selected color's hex code to the clipboard with a simple click, allowing users to easily paste the color code into their preferred development environment.
- Color History: Included a color history feature, allowing users to save and revisit previously selected colors for convenience and quick access.
- Technologies: HTML, CSS, JavaScript   Github Link

TECHNICAL SKILLS

Languages: C++, HTML, CSS
Libraries/Frameworks: React,Js, Next.Js, Tailwind CSS
Familiar With: Python, Javascript
Developer Tools: VS Code, Github
Soft Skills: Adaptability, Communication, Problem-Solving, Team Player
Course Work: Data Structures and Algorithms, DBMS, Operating System, Computer Networks, OOPs Concepts.

Achievements

CodeChef: 1600+ rating	*CodeChef Profile Link*
HackerRank: 5 Star	*HackerRank Profile Link*
LeetCode: 300+ Questions Solved	*LeetCode Profile Link*
